

### **3.3.7 Right to use Certificate and Certification marks**

With a valid BQAS certification, the client is entitled to use the certificate and respective certification marks for promotion purposes.

Authorized use of copyrighted BQAS certified management system mark, and other certification marks (herein referred to as the “marks”) shall enhance confidence of customers in the client’s certified management system and the respective performance. **(Ref.: QP 06 Public Information Procedure)**

These marks are frequently used on company stationery, in brochures, the internet, at exhibitions, on vehicles or in advertisements.

The marks are directly associated with the certified organization and its management system.

Certificates and Marks may be used for promotion in accordance with the provisions of these Certification and Assessment Regulations.

Such use is restricted to the scope and the period of validity of the certification. Marks may not be attached directly to a product or use in such a way as to give rise to the impression of being related to the conformity of a product with the standard of specification on which they are based. Section 5, Certificates and marks, provide respective rules in detail.

BQAS is obliged to ensure correct use of certificate symbols.
